

General Assembly 4<sup>th</sup>

GA 4<sup>th</sup>/WP/1.1

Topic: (Topic that is being discussed)

Sponsors: (Who contributes to the writing of the paper/must be alphabetized)

Signatories: (Who wants to see the paper debated/does not contribute substance to the paper/must be alphabetized)

*Recognizing* (always italicized) the endemic diseases brought forth by degrading water sanitation systems, (always end with a comma for pre-amb phrases)

*Remembering* the Millennium Development Goals, more specifically Goal 8, established in 2000,

(Have equal number of pre-ambulatories to operative clauses, or have more operatives than pre-ambulatory clauses, not more pre-ambs than operatives)

(Pre-ambulatory clauses recognize a problem, while operative clauses try to resolve the problem referenced in the pre-ambs)

*The United Nations General Assembly 4th*, (always italicized and should be the committee that you're working in)

1. Calls Upon (Operative clause is always underlined and indented) the international community to raise monetary aid by \$500,000 USD by 2016 aimed at eradicating endemic diseases in Sub-Saharan Africa; (always end in semi-colon)
2. Encourages such aid as mentioned above to be incorporated in local communities by: (If having sub-clauses, end in colon instead)
  - a. Establishing local satellite offices in rural villages in order to have a better ground, person to person effective approach. (Last point to make ends with a period. The paper should only have one period at the very end, since it is one long sentence)
